Reference: October Quarterly Report (7/1/04 - 9/30/04)

Dear Mr. Ready:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above.** An itemization of the information needed follows:

-Schedule B of your report (see attached) discloses one or more contributions that appear to exceed the limits established by the Act. The Act precludes an individual or a political committee from making a contribution to a political action committee in excess of \$5,000 per calendar year. (2 U.S.C. §441a(a))

If any apparently excessive contribution in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information.

If the contribution made was excessive, you must notify the recipient and request a refund of the amount in excess of \$5,000. You also must inform the Commission in writing of such a refund. The refund must appear on Line 15 of the Detailed Summary Page and on a supporting Schedule A of the report covering the period in which the refund is received.

Although the Commission may take further legal action, prompt action by you to obtain a refund of the excessive amount will be taken into consideration.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date
